# THE GATEWAY LONGVIEW FOUNDATION

The Gateway Longview Foundation was established as a 501c3 not-for-profit organization in 1998 to manage gifts that support the mission, programs and youth of Gateway-Longview Inc. Gifts and support benefit more than 5,000 children and families annually through behavioral health, community-based, foster care & adoption services, residential treatment and special education services and programs.

Since its inception, gifts and support to Gateway Longview Foundation have allowed for more than \$34 million to directly benefit children and families across Western New York.
